INDEPENDENT AUDITORS' REPORT

To the Board of Directors Coastal Bend Food Bank Corpus Christi, Texas

Report on the Financial Statements

We have audited the accompanying financial statements of Coastal Bend Food Bank (Food Bank), which comprise the statements of financial position as of August 31, 2017 and 2016, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing* Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

GF Valdez, P.C.

A Public Accounting Firm

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Coastal Bend Food Bank as of August 31, 2017 and 2016, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Other Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administration Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other records used to prepare the financial statements or to the financial statements themselves, and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated March 21, 2018, on our consideration of Coastal Bend Food Bank's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Coastal Bend Food Bank's internal control over financial reporting and compliance.

NOTE 1 – NATURE OF ACTIVITIES

The Coastal Bend Food Bank (The Food Bank) is a Texas non-profit Corporation that began operations on September 1, 1982. The Food Bank's purpose is to collect and warehouse salvageable food, which has been donated by organizations and businesses, and distribute it to other non-profit agencies (agencies) which feed and distribute food to low-income families and individuals. The Food Bank services agencies within an eleven-county area of South Texas. Funding is provided primarily by donated commodities obtained from a nationwide network of sources including supermarket chains, the United States Department of Agriculture and food drives. The value of food and non-perishable items received from supermarket chains was \$6,458,302 and \$6,358,737, (39% and 52% of revenues), for the years ended August 31, 2017 and 2016, respectively.

Below is a summary of the principal programs administered by The Food Bank:

- 1. Kids Backpack program The Backpack program provides children with nutritious food to take home for the weekend. Backpacks are filled with nutritious, child-friendly food and redistributed on the day before weekends or holiday vacations.
- Kids' Café program The Kids' Café program provides a safe environment for children who do not have access to adult supervision after school. Children receive hot meals or snacks, in addition to homework assistance. Education, physical and social activities are also included as part of the program.
- 3. Mobile Pantry program The Mobile Pantry program reaches individuals and families living in rural areas and surrounding counties of South Texas. The goal is to provide and distribute food items, including fresh produce, every month in smaller cities that do not have local help.
- 4. Nutrition Education program The Nutrition Education program serves to inspire change in food choices and behaviors of children and adults so they can live healthier lives. The Food Bank emphasizes a lifestyle rich in fruits, vegetables, whole grains, lean meats, water and daily exercise, and strives to collaborate with other community partners for the same goal: ensure everyone has access to fresh fruit and vegetables.
- 5. Teen Table program The Teen Table program is a part of the Homeless Student Initiative with the Corpus Christi Independent School District Special Programs. The Food Bank orders food specifically for teens. The Teen Table program also provides clothing, school supplies and other necessities.
- 6. Diabetes Hands-On Self-Management Education Program The program is an American Diabetes Association Recognized program which is an eight-week course that incorporates hands on learning to provide an overview of diabetes and an introduction to nutrition, monitoring sugar levels, and the daily management of life with diabetes.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The Food Bank prepares its financial statements under the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America. It is required to report information regarding financial position and activities according to the following three classes of net assets.

<u>Unrestricted net assets</u> – Net assets that are not subject to donor-imposed stipulations.

<u>Temporarily restricted assets</u> – Net assets subject to donor-imposed stipulations that may be met, either by actions of The Food Bank and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

<u>Permanently restricted net assets</u> – Net assets subject to donor-imposed stipulations that they be maintained permanently by The Food Bank. Generally, the donors of these assets permit The Food Bank to use all or part of the income earned on any related investments for general or specific purposes.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Accordingly, actual results could differ from those estimates.

Cash and Cash Equivalents

For purposes of cash flows, The Food Bank considers investments available for current use with an initial maturity date of three months or less to be cash equivalents. The Food Bank maintains its cash in bank deposit accounts which, at times, may exceed the federally insured limits of up to \$250,000 under the Federal Deposit Insurance Corporation (FDIC). Management believes it is not exposed to any significant risk on cash accounts.

Shared Maintenance Fees

The Food Bank receives fees from participating agencies to assist in the costs of distributing food. These shared maintenance fees are based on predetermined rates from \$0.00 to \$0.18 per pound.

Reclassifications

Certain amounts in the prior year, none affecting net income, have been reclassified in order to be consistent with the current year presentation.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Accounts Receivable

Accounts receivable represent amounts due from agencies and others and are stated at the amount The Food Bank expects to collect for shared maintenance fees and grants from government agencies. Provision for losses on receivables is made when considered necessary to maintain an adequate allowance to cover bad debts. Receivables are charged against the allowance when The Food Bank determines that payments will not be received. Any subsequent receipts are credited to the allowance. As of August 31, 2017 and 2016, management estimates that no reserve for losses on receivables is required.

Investments

Investments in marketable securities with readily determinable fair values and all investments in debt securities are measured at fair value in the statements of financial position. Unrealized gains or losses are included in the change in net assets. Investment income and gains restricted by a donor are reported as an increase in unrestricted net assets if the restrictions are met (either by passage of time or by use) in the reporting period in which the income and gains are recognized.

Property and Equipment

Property and equipment are stated at cost, less accumulated depreciation. Gifts or contributions of property and equipment are recorded at the asset's fair market value at the time received. Depreciation is calculated using the straight-line method over useful lives of the assets, ranging from three to seven years for vehicles, office furniture and equipment and fifteen to thirty-nine years for buildings and building improvements. Maintenance and repairs that do not increase the useful life of the asset are expensed as incurred while major additions and improvements that do increase the useful life of the asset are capitalized. When items are disposed of, the cost and accumulated depreciation are eliminated from the records of accounts and any gains or losses are reported in the change in net assets.

Inventory

Inventory is stated at the lower of cost or market determined by the first-in, first-out method. Inventory consists of donated food and non-food items, purchased food, and commodities received from the United States Department of Agriculture (USDA). Donated food and non-food items were valued at \$1.67 and \$1.70 per pound for the years ended August 31, 2017 and 2016, respectively. This valuation is based on cost studies conducted for America's Second Harvest. Purchased food is valued at the latest purchase price. USDA commodities are valued based on published USDA fair market values. USDA commodities and FEMA purchased inventory amounts as of August 31, 2017 and 2016 are restricted to distribution programs serving lowincome families and individuals. Therefore, the value of these ending inventories is reflected as a temporarily restricted asset in the statement of financial position. Accordingly, the distribution of these commodities is reflected in the statement of activities as assets released from restriction.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Contributions and Contributed Services

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and nature of any donor restrictions. The Food Bank receives a significant amount of donated services from unpaid volunteers who assist in the warehouse. However, the value of these services has not been recognized in the statement of activities since they do not meet the criteria for recognition as contributed services. The Food Bank received 33,256 hours of services from 4,916 volunteers for the year ending August 31, 2017. The Food Bank received 30,879 hours of services from 4,596 volunteers for the year ending August 31, 2016.

Allocation of Functional Expenses

The cost of providing the various programs and other activities has been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Donated Property and Equipment

Donations of property and equipment are recorded as contributions at their estimated fair value at the date of donation. Such donations are reported as increases in unrestricted net assets unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted contributions. Absent donor stipulations regarding how long those donated assets must be maintained, The Food Bank reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed net assets at that time.

Income Tax Status

The Food Bank is a not-for-profit organization that is exempt from federal income taxes pursuant to Section 501(c)(3) of the Internal Revenue Code and classified by the Internal Revenue Code as a private foundation. Accordingly, no provision for income taxes had been made in the accompanying statements. The Food Bank's Form 990, Return of Organization Exempt from Income Tax, for the years ending August 31, 2014, 2015, and 2016 are subject to examination by the IRS, generally for three years after they were filed.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Recent Pronouncements

In August 2016, the Financial Accounting Standards Board issued Accounting Standards Update (ASU) 2016-14, Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Notfor-Profit Entities. The amendments in this ASU are the first phase of changes aimed at providing more useful information to users of not-for-profit financial statements. Under this ASU, net assets will be presented in two classes: net assets with donor restrictions and net assets without donor restrictions. New or enhanced disclosures will be required about the nature and composition of net assets, and the liquidity and availability of resources for general operating expenditures within one year of the balance sheet date. Expenses will be required to be presented by both nature and function and investment return will be presented net of external and direct internal investment expenses. Absent explicit donor stipulations, restrictions on long-lived assets will expire when assets are placed in service. The ASU is effective for fiscal periods beginning after December 15, 2017, but early adoption is permitted. Adoption of this ASU will impact the presentation and disclosures of the financial statements.

NOTE 3 – CONTINGENCIES

Financial awards from federal, state, and local governmental entities in the form of grants are subject to special audit. Such audits could result in claims against The Food Bank for disallowed costs or noncompliance with grantor restrictions. No provision has been made for any liabilities that may arise from such audits since the amounts, if any, cannot be determined at this date. The Food Bank expects such amounts, if any, to be immaterial.

NOTE 4 – EVALUATION OF SUBSEQUENT EVENTS

Management of The Food Bank has evaluated subsequent events for disclosure through March 21, 2018, the date the financial statements were available to be issued. As a result of this evaluation, no events were identified that are required to be disclosed or would have a material impact on reported net assets or changes in net assets.

NOTE 5 – INVESTMENTS

Investments consisted of the following as of August 31:

			U	nrealized	U	nrealized		Fair
		Cost		Gains		Losses		Value
<u>August 31, 2017</u>								
Certificates of Deposit	\$	2,254	\$		\$		\$	2,254
Mutual Funds – Equity		679,267		133,642				812,909
Common Stock		2,643						2,643
	<u>\$</u>	<u>684,164</u>	<u>\$</u>	133,642	<u>\$</u>		<u>\$</u>	817,806
August 31, 2016								
Certificates of Deposit	\$	41,790	\$		\$		\$	41,790
Mutual Funds – Equity		691,810		142,084				833,894
Common Stock		2,643	<u> </u>					2,643
	<u>\$</u>	<u>_736,243</u>	<u>\$</u>	142,084	<u>\$</u>		<u>\$</u>	878,327

Net interest and dividend income for the years ending August 31, 2017 and 2016 were \$27,509 and \$46,125, respectively. Net unrealized losses of \$8,441 and unrealized gains of 12,483 were recorded on the books of the Food Bank for the years ended August 31, 2017 and 2016, respectively. Net realized gains of \$57,536 and 26,611 for the years ended August 31, 2017 and 2016, respectively. Total investment return was 76,604 and 85,219 for the years ended August 31, 2017 and 2016, respectively.

NOTE 6 - INVENTORY

The majority of food distributed by The Food Bank is received by contributions from the general public and from the U. S. Department of Agriculture (USDA). The estimated value of these contributions is recognized in the financial statements as contribution revenue and food and other supplies or program expenses if distributed during the year. The pounds collected are recorded by The Food Bank staff at the time of receipt based on actual weight. The total value of contributed food for the years ended August 31, 2017 and 2016 is as follows:

	2	017	2	016
	Pounds	Dollars	Pounds	Dollars
Donated inventory:				
Donated inventory	265,828	\$ 443,933	139,909	\$ 237,845
USDA commodities	266,159	444,485	460,894	783,520
Produce inventory	51,518	5,152	23,712	40,310
	<u> </u>	<u>\$ 893,570</u>	<u> 624,515</u>	<u>\$ 1,061,675</u>
Purchased food inventory:				
Purchased inventory	<u> 16,418 </u>	<u>\$ 23,278</u>	<u>46,695</u>	<u>\$70,161</u>

NOTE 7 - PROPERTY AND EQUIPMENT

Property and equipment consisted of the following as of August 31:

		2017		2016
Building and improvements	\$	1,229,766	\$	1,225,016
Warehouse and freezer		554,251		530,790
Furniture and equipment		352,007		317,733
Vehicles		640,875		630,875
Construction in progress - building		9,000		9,000
Land		461,422		461,422
		3,247,321		3,174,836
Less: Accumulated depreciation		(1,835,632)		(1,707,927)
Property and equipment, net	<u>\$</u>	<u>1,411,689</u>	<u>\$</u>	<u>1,466,909</u>

Depreciation expense for the years ended August 31, 2017 and 2016 totaled \$127,705 and \$135,917, respectively.

NOTE 8 – CONCENTRATIONS

The Food Bank receives a large portion of its food supplies from the U.S. Department of Agriculture via the Emergency Food Assistance Programs. For the years ending August 31, 2017 and 2016, these commodities comprised approximately 23% and 25%, respectively, of the total value of all donated food received.

A grant to reimburse administrative costs with the U.S. Department of Agriculture provided approximately 32% and 28% of the assistance necessary to fund the administrative operations of The Food Bank for the years ending August 31, 2017 and 2016, respectively.

NOTE 9 – RETIREMENT PLAN

The Food Bank adopted a retirement plan (Plan) effective March 28, 2008 for all employees of the organization. Benefits depend solely on amounts contributed to the Plan plus investment earnings. Under the terms of the Plan, The Food Bank matches employee contributions to the Plan, up to 5% of the employee's salary. All employees who earn at least \$5,000 in compensation and are employed by The Food Bank for more than six months are eligible to participate. Employees are 100% vested as of the enrollment date. Total contributions by The Food Bank to the Plan were \$25,148 and \$18,495 for the years ending August 31, 2017 and 2016, respectively.

NOTE 10 – OPERATING LEASES

The Food Bank has non-cancelable operating leases, primarily for use of copier and postage equipment. Those leases generally contain renewal options for various periods and require The Food Bank to pay costs such as taxes, maintenance, and insurance. Total lease expense for 2017 and 2016 was approximately \$5,580 and \$2,940, respectively. Future estimated minimum lease payments under operating leases that have remaining terms in excess of one year as of August 31, 2017, are:

<u>Year</u>	Amount					
2018	\$ 5,580					
2019	5,580					
2020	5,580					
2021	3,155					
Total	<u>\$ 19,895</u>	-				

NOTE 11 - RESTRICTED NET ASSETS

Temporarily restricted net assets as of August 31 were available for the following purposes:

	2017			2016		
Commodities for distribution: USDA commodities	\$	444,485	\$	783,520		
FEMA purchased inventory						
		444,485		783,520		
Kid's Cafe program		51,059		53,775		
Teen Table program		42,696				
Disaster relief		22,198		24,319		
Operation training		12,694				
Agencies		29,400				
FEMA cash		12,118				
Food, freight and storage				9,996		
Total temporarily restricted net assets	<u>\$</u>	614,650	<u>\$</u>	871,610		

Net assets were released from donor restrictions by incurring expenses satisfying the purpose or time restrictions specified by donors as follows:

		2017		2016
Restrictions accomplished:				
USDA commodities distributions	\$	3,452,909	\$	2,832,400
Neighborhood diabetes program		149,805		30,000
Food, freight and storage		89,996		81,986
Backpack programs		53,690		74,377
Asset purchases		40,000		
FEMA commodities		4,909		
Teen Table program		4,714		
Operation training		3,306		
Kid's Cafe program expenses		2,716		6,321
Mobile pantry expenses		2,500		6,038
Disaster relief		2,121		
Agencies		600		
Donation coordinator		<u> </u>		3,424
Total net assets released from restriction	<u>\$</u>	3,807,266	<u>\$</u>	3,035,201

NOTE 12 – BENEFICIAL INTERESTS IN ASSETS HELD BY THE COASTAL BEND BEND COMMUNITY FOUNDATION

The Food Bank entered into an Agency Endowment Agreement (Agreement) with the Coastal Bend Community Foundation (the Foundation) to establish an Endowment Fund (Fund) effective October 26, 1999. Under this agreement, the Fund shall be used solely for the charitable and educational purpose of The Food Bank and its programs. Net income of the Fund shall be distributed only at The Food Bank's request to The Food Bank or its designee. Distributions in excess of the net income of the Fund shall be made only to The Food Bank or its designee in any year as recommended in writing by a majority of The Food Bank's trustees and approval by the Foundation. The entire balance may be withdrawn over a three-month period. However, \$136,000 of the Fund is permanently restricted and is to be held by The Food Bank indefinitely. As required by generally accepted accounting principles, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions. No contributions or distributions were made from the Fund for the years ended August 31, 2017 and 2016.

The Food Bank has interpreted the State Prudent Management of Institutional Funds Act (SPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation The Food Bank classifies as permanently restricted net assets (1) the original value of gifts donated to the permanent endowment, (2) the original value of subsequent gifts to the permanent endowment, and (3) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by The Food Bank in a manner consistent with the standard of prudence prescribed by SPMIFA. In accordance with SPMIFA, The Food Bank considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the duration and preservation of the various funds, (2) the purposes of the donor-restricted endowment funds, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation of investments, (6) other resources of The Food Bank and (7) The Food Bank 's investment policies.

The Food Bank has adopted investment and spending policies for endowment assets that attempt to subject the fund to charitable and educational purposes of The Food Bank and its programs. The Food Bank may expend the endowment fund's investment income for charitable and educational services as needed. This is consistent with The Food Bank's objectives to collect salvageable food and distribute it to other non-profit agencies (agencies) which feed and distribute food to low-income families and individuals.

NOTE 13 – FAIR VALUE MEASUREMENTS

Generally accepted accounting principles require that certain assets and liabilities be reported at fair value and establish a hierarchy that prioritizes inputs used to measure fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The three levels of the fair value hierarchy are as follows:

• Level 1 – Inputs are unadjusted quoted prices in active markets for identical assets or liabilities that the reporting entity has the ability to access at the reporting date.

• Level 2 – Inputs are other than quoted prices included in Level 1, which are either directly observable or can be derived from or corroborated by observable market data at the reporting date.

• Level 3 – Inputs are not observable and are based on the reporting entity's assumptions about the inputs market participants would use in pricing the asset or liability.

The fair value measurements and levels within the fair value hierarchy of those measurements for assets and liabilities reported at fair value on a recurring basis at August 31, 2017 and 2016 are as follows:

		Fair Value Measurements at Reporting Date Using						
	Quoted Prices							
				In Active				
			N	Iarkets for	Sig	nificant		
				Identical	(Other	Sig	nificant
				Assets/	Obs	servable	Uno	bservable
		Fair	L	iabilities	Ι	nputs	I	nputs
		Value	_(Level 1)	<u>(L</u>	evel 2)	(L	evel 3)
<u>August 31, 2017</u>								
Certificates of Deposit	\$	2,254	\$	2,254	\$		\$	
Mutual funds-equity		812,909		812,909				
Common Stock		2,643		2,643				
Beneficial interest in assets								
held by the Coastal Bend								
Community Foundation		888,131		888,131				
Total	<u>\$</u>	<u>1,705,937</u>	<u>\$</u>	1,705,937	<u>\$</u>		<u>\$</u>	
<u>August 31, 2016</u>								
Certificates of Deposit	\$	41,790	\$	41,790	\$		\$	
Mutual funds-equity		833,894		833,894				
Common Stock		2,643		2,643				
Beneficial interest in assets								
held by the Coastal Bend								
Community Foundation		815,350		815,350				
Total	<u>\$</u>	<u>1,693,677</u>	<u>\$</u>	<u>1,693,677</u>	<u>\$</u>		<u>\$</u>	

NOTE 13 – FAIR VALUE MEASUREMENTS (continued)

Valuation methods used for assets measured at fair value on a recurring basis are as follows:

- Investments such as certificates of deposits and common stock are valued at the closing price reported on the active market on which the individual securities are traded.
- Beneficial interest in assets held by the Coastal Bend Community Foundation are held in fixed income securities which are valued at the closing price reported on the active market.
- Mutual funds are valued at the net asset value of shares held at year end. These valuation methods may produce a fair value that may not be indicative of net realizable value or reflective of future fair values.

Furthermore, while The Food Bank believes its valuation methods are appropriate, the use of different methods or assumptions could result in a different fair value measurement at the reporting date. The Food Bank recognizes transfers of assets into and out of levels as of the date an event or change in circumstances causes the transfer. There were no transfers between levels in the years ended August 31, 2017 and 2016.

COASTAL BEND FOOD BANK NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS For the Year Ended August 31, 2017

NOTE 1 – BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards (the Schedule) includes the federal grant activity of the Coastal Bend Food Bank (The Food Bank) under programs of the Federal government for the year ended August 31, 2017. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administration Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of The Food Bank, it is not intended to and does not present the financial position, changes in net assets, or cash flows of The Food Bank. Therefore, some amounts presented in this Schedule may differ from amounts presented in, or used in the preparation of, the basic financial statements.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Pass-through entity indentifying numbers are presented where available.

NOTE 3 – INDIRECT COST RATE

The Food Bank has not elected to use the 10 percent de minimis indirect cost rate as allowed under the Uniform Guidance.

NOTE 4 – FOOD DONATION

Nonmonetary assistance is reported in the schedule at the fair market value of the commodities received and disbursed. As of August 31, 2017, The Food Bank had \$444,485 of USDA commodities in inventory.

COASTAL BEND FOOD BANK NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS For the Year Ended August 31, 2017

NOTE 5 - RECONCILIATION OF FEDERAL AWARDS TO THE FINANCIAL STATEMENTS

Total expenditures of federal awards Non-federal expenditures	\$	3,826,304 12,332,607
Total expenses per statement of activities	<u>\$</u>	16,158,911

The Food Bank considers all USDA and other donated foods distributed or used in a fiscal year as expended for purposes of the schedule of expenditures of federal awards. Therefore, there are differences in amounts reported on the statement of activities as revenues and amounts reported on the schedule of expenditures. The following table reconciles these amounts.

Total federal awards per the statement of activities	\$	3,502,418
Change in USDA inventories		339,035
Change in other inventories		(15,149)
Total expenditures of federal awards	<u>\$</u>	3,826,304

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors Coastal Bend Food Bank Corpus Christi, Texas

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Coastal Bend Food Bank (The Food Bank), which comprise the statements of financial position as of August 31, 2017, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated March 21, 2018.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered The Food Bank's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of The Food Bank's internal control. Accordingly, we do not express an opinion on the effectiveness of The Food Bank's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Corpus Christi, Texas 78411
Phone 361-991-1650
Fax 361-991-1655

Compliance and Other Matters

As part of obtaining reasonable assurance about whether The Food Bank's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Directors Coastal Bend Food Bank Corpus Christi, Texas

Report on Compliance for Each Major Federal Program

We have audited Coastal Bend Food Bank's (The Food Bank) compliance with the types of compliance requirements described in the OMB Compliance Supplement that could have a direct and material effect on each of The Food Bank's major federal programs for the year ended August 31, 2017. The Food Bank's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal program.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of The Food Bank's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administration Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about The Food Bank's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of The Food Bank's compliance.

Opinion on Each Major Federal Program

In our opinion, The Food Bank's complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended August 31, 2017.

GF Valdez, P.C.

A Public Accounting Firm

5430 Holly Road, Suite 1 Corpus Christi, Texas 78411 Phone 361-991-1650 Fax 361-991-1655

Report on Internal Control Over Compliance

Management of The Food Bank is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered The Food Bank's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of The Food Bank's internal control over compliance.

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiencies, in a timely basis. A *significant deficiency in internal control over compliance* is a deficiencies, in a timely basis a deficiencies, in internal control over compliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
