

## **Medicaid**

Your income is the money you get paid before taxes are taken out. Find your family size on the table below. If your monthly income is the same or less, your child might get Children's Medicaid.

<b>Family Members (Adults plus children)</b>	<b>Monthly Family Income</b>
1*	\$1,415
2	\$1,911
3	\$2,408
4	\$2,904
5	\$3,401
6	\$3,897
7	\$4,394
8	\$4,890
For each additional person, add:	\$497

*\*A family of one might be a child who does not live with a parent or other relative.*

## **CHIP**

Your income is the money you get paid before taxes are taken out. Find your family size on the table below. If your monthly income is the same or less, your child might get CHIP.

<b>Family Members (Adults plus children)</b>	<b>Monthly Family Income</b>
1*	\$2,138
2	\$2,888
3	\$3,639
4	\$4,389
5	\$5,139
6	\$5,890
7	\$6,640
For each additional person, add:	\$751

*\*A family of one might be a child who does not live with a parent or other relative.*
