

Tis' the Season to “**SHARE YOUR CHRISTMAS**” with the **Coastal Bend Food Bank** and **KIII-TV** for the **36th Annual Share Your Christmas Food Drive** and help make a difference in your community.

This is a great initiative to help feed families in need during the Holiday Season. All schools in the eleven-county service area are invited to participate by collecting canned food and monetary donations for the Coastal Bend Food Bank. In addition to giving back to the community, students and schools in three categories - small, large, and rural - that collect the highest pounds of food will each receive a Grand Prize of \$800 for their schools. To reach your goal, you can invite your friends, family, and neighbors to donate \$5, \$10, \$20, or more online and select your school. Let's work together to make a difference!

For every \$5 donated = 20 Christmas Meals
For every 5lbs of non-perishable food = \$1

If your school is interested in participating, please submit a completed form to both Michael Rodriguez at merodriguez@coastalbendfoodbank.org and Joel Vasquez at jvasquez@coastalbendfoodbank.org by **December 4, 2023**.

The school contest starts on **Monday, November 20th, and ends on Monday, December 11th**. The Coastal Bend Food Bank will contact schools about collecting their donations after **December 8th**. Please note cash donations will not be accepted and must be submitted by check or money order no later than December 13th to be included in the final tabulation.

All canned food and monetary donations will be calculated and finalized on Friday, December 15, 2023, by 4:00 pm, and the school with the most monetary donations will be announced on KIII-TV at the 6:00 pm newscast on the event day.

We look forward to your participation and joining us for the 36th Annual Share Your Christmas Food Drive

2023 School Participation Form

School Name: _____

Address: _____ City: _____ Zip Code: _____
